[PHOTO CAPTION:] Crew from NuStar Pipeline & Storage recently completely rebuilds the Triple H horse mounting platform

Triple H Equitherapy Center in Pipe Creek is the only non-profit premier therapeutic riding center in the San Antonio and Hill Country area that is fully accredited by PATH (the Professional Association of Therapeutic Horsemanship International, PATH, Int'l). Triple H uses the power of the human-horse connection to help and heal anyone who is physically, emotionally or mentally impaired. Our volunteers are as important to our operation as our therapy horses are. Here you see a group of volunteers from the NuStar Corp. rebuilding the mounting platform which makes getting onto a horse easier for our clients as well as easier for our horses.
